In its second edition, **Design Days Dubai** presents more than 20 galleries from six continents, including Gallery Seomi, Perimeter Art and Design and Salon 94, establishing itself as a vibrant addition to the region's cultural scene. March 18-21, designdaysdubai.ae

"ARNOLD NEWMAN: MASTERCLASS," the first posthumous retrospective of Arnold Newman, explores the career of one of the finest portrait photographers of the 20th century. The show, on view at The Harry Ransom Center in Austin, Texas, and curated by William Ewing, highlights 200 framed vintage prints covering Newman's career, selected from the privately held Arnold Newman Archive and the collections of major American museums and private collectors.
